

MINISTRIES AND CONSULTING, INC.

REVEREND EVANGELIST NICHELLE L. EARLY

With the Master's hand and power manifest upon her life, Nichelle is a well-groomed servant ministering the good tidings of Jesus Christ. As the Lord has allowed her to serve faithfully in evangelistic ministry for over 20 years, God has allowed Nichelle to harvest countless souls into the Kingdom of God.

As the Founder and CEO of BreakForth Ministries and Consulting, Inc., which is the 501 (c) 3 parent organization of her evangelistic ministry, BreakForth Rivers of Living Water Ministries, and www.PreachingWoman.com, a global organization for women in or aspiring to be in ministry; Developer of Tools & Secrets™ For Women In Ministry, a training course for women in ministry (www.ToolsandSecrets.com); and CEO of BreakForth Solutions, Inc., a for-profit consulting organization; God has gifted Nichelle with the uncanny ability to unite both ministry and business for His glory!

With an undeniable prophetic anointing, God has blessed Nichelle with the capacity to minister a timely, relevant, and seasoned word to many. As a result, the influence of her ministry, both itinerant and local, has broken through denominational and cultural barriers, thus affording her the privilege of impacting thousands of lives across varied and distinct platforms including TBN; The Word Network; The IMPACT Network; Renewed Magazine; and many other media outlets. Nichelle has further expanded the stage of her evangelistic ministry via PreachingWoman.com, which garners a global audience reaching over 1.9 million viewers and growing since its tenure, and serves as the catalyst for her bi-annual Preaching Woman Empowerment Conference which attracts hundreds of women from all over the country.

Initially licensed by South East Georgia Jurisdiction of the Church of God In Christ, Nichelle now serves faithfully as an associate minister of the Mt. Pleasant Baptist Church in Herndon, VA, submitted, licensed, and ordained under the leadership of Dr. James L. Graham, Jr., Senior Pastor. In addition, she serves on the ordination council of the North Star Church Network, an association of Baptist Congregations, wherein she is said to be the first African American ordained female officially invited to serve on the council.

On the cutting edge of both business and ministry, Nichelle shows no signs of slowing down. As a notable expert in the areas of: Ministry Development, Training and Development, Program Management, Public Relations and Marketing, Nichelle is a respected authority in her field. Graduating from Georgia Southern University, Nichelle has received her Bachelors of Science degree in Public Relations and holds Master Trainer, PMP, ITIL, and numerous other certifications and distinctions.

Nichelle knows that God has given her a great source of wisdom in her life companion, Bro. Michael Early. Together they reside in the Washington, D.C. metropolitan area where he is a retired NFL football player and current government contractor and she is a Senior Program Manager for a major IT firm. Together they co-administrate Break Forth Ministries and Consulting, Inc. with the chief focus of knowing that ministry is about people and seeing them "Break Forth" into kingdom purpose by achieving and receiving all that God has for them in this present age and eternity. If together they could only share one Word of encouragement it would be, "Break Forth, it's time for the world to know you!"

Ministry Preferences

According to Ezekiel 38:7, "Be thou prepared, and prepare for thyself, thou, and all thy company that are assembled unto thee..."

Preparation is vital to the ministry of the Gospel of Jesus Christ. Therefore, we've enclosed a few ministry preferences for your consideration. These preferences are requested in accordance to your customary hospitality toward guest ministers and your ability to provide them. If you have any questions or concerns regarding these requests, please discuss with Evg. Early, or our Director of Administration, Ms. NaTosha Clemons, prior to Evg. Early's arrival.

Service Particulars

- If any theme, scriptural texts, particular bible translation, colors, attire, accessory exclusions, etc. are relevant to the service, please submit them via our ministry request form at www.NichelleEarly.com to our office as soon as possible for consideration.

Offertory

- Please discuss and complete with Evg. Early, or our Ministry Management team, all honorarium business, including offertory procedures, before services are rendered. Unless discussed and agreed upon regarding the nature and procedure, Evg. Early will not facilitate an impromptu offering collection.

Service Location Ministry Courtesies

We are often asked what Evg. Early prefers at the location where the ministry service or event will be held. Therefore, we've put together a very minimal list of things that are preferred, but in no way are mandatory regarding Evg. Early ministering at your ministry service or event:

- If possible, please provide a private room that can be locked before, during and after service for Evg. Early to prepare before and after ministry.
- After ministering, Evg. Early prefers cool bottled water or Gatorade, preferably Orange flavored.
- Although not mandatory, please provide mints, fresh towels/handkerchiefs, and anointing oil.

Alter Workers

- If your ministry utilizes alter workers, please identify them to Evg. Early before the service and have them seated in the front and prepared for service, unless other customs or instructions have been provided or preferred by the Pastor or lead service official. However, please have workers understand that they will be subject to the direction of Evg. Early while serving as she ministers.
